Warner Robins Award Program Honors the Achievement

WARNER ROBINS September 12, 2014 -- Extreme Hobby & Scooters has been selected for the 2014 Best of Warner Robins Award in the Hobby & Model Shops category by the Warner Robins Award Program.

Each year, the Warner Robins Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Warner Robins area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2014 Warner Robins Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Warner Robins Award Program and data provided by third parties.
